

Franklin Road Christian School Acceptable Student Tablets

2017 – 2018

Currently the only acceptable student tablets are Apple Ipads. All other tablets are not supported at this time and below is chart to help you choose an iPad for your student.

Current Models	A tablet in this category will be the best option for your student. Not only will a current model tablet be fully compatible with all features of our digital curriculum, it will also provide optimum performance and will last for several years if cared for properly.
Estimated Duration:	3 - 4 years**
Price Range:	\$329 - \$799
Included Tablets:	Apple 12.9 iPad Pro* Apple 9.7 iPad Pro* Apple iPad (5 th Generation)* Apple iPad Mini 4*
Recently Discontinued Models	A Recently Discontinued Model tablet is fully compatible with our digital curriculum and will perform well for your student. While Apple no longer manufactures these models and they are no longer for sale on Apple's website, they may still be found in stores. You may be able to get a good price for these models by buying a used iPad.
Estimated Duration:	2 - 3 years**
Price Range:	\$ Varies
Included Tablets:	Apple iPad Air* Apple iPad Air 2* Apple iPad Mini Generation 1-3*
Older Discontinued Models	These tablets have been discontinued for some time and are not compatible with our digital curriculum.
Included Tablets:	Apple iPad Generation 1-4

* Wifi-only version. All cellular enabled tablets brought to the FRCS campus will be disqualified for class use.

** Durations are estimated for new devices and contingent upon proper care of the tablet. Price ranges are based on retail values.
